President's Message

A few days ago we held our annual Awards Luncheon. This was a great opportunity to acknowledge our members who recently received the CISA, CISM, and CGEIT designations. It also gave me an opportunity to say thanks to all the board members for the fantastic work they did this past year. We had a good group of people on the board, which really made my job easy as chapter President. We held a number of successful events over the past year as a result of the hard work of these board members. Thanks so much.

At the Awards luncheon we held elections and installed a new board, which officially takes office on July 1st. The new board will be meeting over the summer and you will be hearing from us soon. We look forward to another successful year.

Pam Matthews
